HealthiestYou is not health insurance and we encourage all members to maintain adequate insurance from a responsible provider. HealthiestYou is designed to complement, and not replace the care you receive from your primary care physician. HealthiestYou physicians are an independent network of doctors who advise, diagnose, and prescribe at their own discretion. Physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written.

HealthiestYou no es un seguro de asistencia médica y recomendamos a todos los socios que mantengan cobertura médica adecuada con un proveedor responsable. HealthiestYou esta aquí para complementar, y no para reemplazar la atención médica que recibe de su médico de cabecera los médicos de HealthiestYou forman parte de una red independiente de doctores que aconsejan, diagnostican, y dan recetas médicas según mejor les parezca. Los médicos ofrecen una combinación de cobertura y operan cumpliendo con las legislaciones estatales. Los médicos en la red independiente no recetan sustancias controladas por la DEA, drogas no terapéuticas, y ciertas otras drogas que puedan ser nocivas debido a la posibilidad de abuso.
