# It's fast and easy to enroll

 **33 seconds**<sup>1</sup>

Enrolling in your employer retirement plan is one of the simplest ways to save for retirement

<sup>1</sup> Based on enrollment data for period January 1, 2020 through December 31, 2020.

- 1 Go to your plan website and select *Register*.
- 2 Choose the *I do not have a PIN* tab.
- 3 Follow the prompts to create your username and password. Be sure to add your email address.
  - *Quick enrollment*: to have your contribution rate and investment funds set for you.
  - *Custom enrollment*: to select your contribution rate, type and funds.

## Put the magic of compound earnings to work for you

The money you save today could double in just 12 years and triple in 19 years.

FOR ILLUSTRATIVE PURPOSES ONLY. This hypothetical illustration does not reflect a particular investment and is not a guarantee of future results. This is a demonstration of the mathematical rules of 72 and 114 used to approximate the number of years it takes a given investment to double and triple in value. It assumes a 6% rate of return. Rates of return may vary.

## You're in charge of creating your future

- Save as much or as little as you like (up to the IRS maximum or plan limit).
- You can change your contribution rate anytime.
- You'll always have access to your savings if you need it through a loan or hardship withdrawal. Fees may apply.

- You can choose to have your savings rate automatically increase each year.

## Find the best way to invest for you

- Choose from a range of investments to manage your account on your own.
- Select a single pre-diversified target date fund based on your projected retirement date.\*

## Get a complete financial overview

Link accounts, such as banking, mortgage, credit card and other retirement plan accounts, to get a customized view of your overall financial situation.

## Look into your future

You can easily view what percentage of your estimated income you are on track to replace.

FOR ILLUSTRATIVE PURPOSES ONLY.
